## APPOINTMENT CHECKLIST

---

- Be prepared to have fun!
- Abide by our strict 'Bride +1' policy when attending the studio. Our space just won't permit more.
- Please don't be late, you won't get the maximum benefit from your allocated appointment time.
- Pour over our range available online and send through your top 4 dresses so we have a great idea about what you love. Screenshots or style codes are perfect.
- Have your 50% deposit ready so you can take advantage of any offers available on the day when you find your perfect gown!
- Bring a pair of heels that are roughly the right height for those you are planning to wear on your wedding day. We use a box to try on for added stability, however, a few of our gowns require a special hem and it always pays to be prepared. If you're unsure as yet it's not essential, so don't stress.
- Wear nude coloured underwear if possible (sometimes it's a 'spur-of-the-moment' or you 'clean-forgot' what you were doing on the day and we totally understand, but if you can it's so much better!
- A face of makeup with your hair done often helps you picture yourself on your wedding day so we always suggest it to our brides.

*We are thrilled to help you 'Say Yes to the Dress'.  
See you in our studio!*
